ATTENDANCE

The following information on absence is consistent with information in the handbooks for all Western Schools. A good attendance record is important not only to the student but to the school as well. Frequent absences of students from regular classroom learning experiences disrupts the continuity of the instructional process. The benefit of regular classroom instruction is lost and cannot be regained entirely even by extra after-school instruction. Many students who miss school frequently, experience great difficulty in achieving the maximum benefits of schooling. These students in many circumstances are able to achieve only mediocre success in their academic program. Students with poor attendance often lose interest in school, and are commonly potential dropouts. Evidence indicates that grades and attendance are directly related.

Every effort will be made to monitor the attendance of the students and to keep parents informed of their child's attendance record for the benefit of the student and parent. **A student who is absent for six (6) days in a given semester, (unless under a physician's care) is exhibiting excessive absenteeism and she/he will be monitored closely by the attendance officer and may be required to have a physician's statement for further absences. (Excerpt from Board Policy)**

A parent may call in 6 times to excuse their child from school without documentation. Additional absences after 6 will require documentation in order to be excused. Students who are absent beyond 6 days are exhibiting excessive absenteeism and may receive consequences and may be recommended for expulsion (Board Policy). Parents will receive a letter from the school after the 6th absence to notify them of the need for documentation for additional absences.

Attendance shall be required of all Corporation students, except those exempted or by provisions of State law, during the days and hours that the school is in session.

Parents will receive documentation upon the 3rd unexcused absence and may be required to attend a conference with the School Counselor and Principal upon additional unexcused absences. Students who accumulate 8 or more unexcused absences may be subject to the following consequences: detention, Saturday School, out of school suspension. Students who accumulate 10 or more unexcused absences may be subject to one or more of the following: detention, Saturday School, out of school suspension, referral to the Department of Child Services, and/or expulsion. Transfer students may have their transfer status revoked due to excessive absences.

TRANSPORTATION

Students must have a signed written note from their parents to ride a different bus. This note must be shown to the homeroom teacher. A change in transportation note will be given to the driver. If a note is not sent to the teacher the student will be sent to their normal take home address.

****TRANSPORTATION CHANGES must be called in to the office by 3:00 p.m. Any call after 3:00 p.m. to make a change in transportation will not be honored and the student's regular method of transportation will be followed.**

ABSENCES

***ADMIT TO SCHOOL AFTER ABSENCE**

A parent note is required for each absence. If a student fails to bring a note, the teacher will notify the office. Absences will be considered unexcused until a parent note is provided or a phone call is received from the parent explaining the absence. If a student is absent five or more consecutive days, a doctor's excuse must be brought upon return.

***ABSENCE DETERMINATION**

A student missing 1 1/2 hours of school will be recorded as a half-day of absence, five or more hours constitute a full day absence.

***ABSENCE - UNEXCUSED**

All other cases of absence will be considered unexcused. This includes instances where students stay home to work, habitually miss the bus, or go on vacations. In cases of unexcused absences, for example family vacations during days in which school is in session, students will not have the opportunity to receive credit for daily work missed and will receive no credit for that day's assignments. However, students are encouraged to do the work missed so they will not have a gap in their learning.

Trips – Prior notification and approval. Prior to a family trip the student's parent must notify the administration for approval about the upcoming trip at least one (1) week in advance. Students are to make PRIOR arrangements with individual teachers concerning the completion of any missed assignments due to a trip. Assignments during **Unapproved Trips**, may be made up under the following conditions: **(1) Only major assignments and not daily work may be made up. (2) All work that is to be made up must be done prior to the trip.** NOTE: Since the school calendar includes considerable vacation time, the school discourages any additional vacation days. **Policy Statement: No absence will be approved which will cause the student to violate the attendance policy. Credit may be given for tests, or quizzes missed during day/days in question.**

*** ABSENCES - UNEXCUSED FOR DISCIPLINARY REASONS**

Any assignment that is missed on the day/days a student is removed from school or classes will receive **no credit** for that assignment.

***ABSENCES - EXCESSIVE**

There is a difference between not feeling well and being too sick to attend school. Children with temperatures above the normal range should be kept home and will be sent home if they are ill and have such a temperature while at school. When, in the opinion of the principal, attendance is becoming a problem, the following may occur: 1) a doctor's excuse required, 2) un-excusing the absence, 3) parent and student attendance court, or 4) referral to Child Protective Services. Under normal conditions this process will begin when a student has missed 6 or more days in one semester and not under a doctor's care.

AFTER SCHOOL FUNCTIONS

Students staying for after-school functions must have transportation home at the time specified by the adult in charge. Boys or girls staying after school for weekly meetings will be required to bring one note only at the beginning of the year. Children in grades K – 2 attending evening school activities should be accompanied by parents. Students attending skating parties must be accompanied by a responsible adult, at least of driving age, for the entire evening.

ARRIVAL/TARDINESS

All students arriving by bus are to enter through the bus-unloading doors. Students are to be dropped off by parents at the main entrance. **When bringing or picking up a student, PLEASE DO NOT DRIVE AROUND THE SCHOOL.** This is a student play and bus unloading area.

Students arriving at school after 8:50 a.m. must pick up an ADMIT SLIP from the front desk before they will be admitted to class and will be considered tardy unless they have received permission from the front desk. A record of tardiness will be kept in the office and will be recorded on report cards. The first unexcused tardy will not require a penalty. Subsequent unexcused tardiness will require the time to be made up during recess. It is always better for a student to be tardy than to be absent all day. If your family oversleeps, please bring your child to school as early as possible. **Students with unexcused tardies will not be eligible for perfect attendance awards.**

Students shall not arrive at school prior to 8:30 a.m., unless their mother or father is employed by the school corporation and provides supervision until the first bus arrives.

Students arriving at school late due to medical or dental appointments, family emergencies, etc. are to sign in at the front desk and will receive an ADMIT SLIP. Parents are asked to bring their child to the front desk with a note signed by their doctor, dentist, or parent.

ASBESTOS NOTIFICATION

The Asbestos Hazard Emergency Response Act of 1986 (AHERA) required the inspection of all buildings in the school district for asbestos. The District has complied with this act. A management plan documenting these inspections is on file for public review. Upon request you may view the plan, which is located at the assistant superintendent's office, as well as at each principal's office in all buildings.

Western School Corporation annually notifies all parents, teachers, and other employees by posting this notice. The asbestos identified in our management plan will be checked every 6-months by our trained staff to scrutinize any changes in the material, which could cause a health hazard. Additionally, in compliance with EPA guidelines, Western School Corporation will have an asbestos inspection every three years by a licensed asbestos company. Any questions regarding our district's Asbestos Management Plan should be directed to our Assistant Superintendent's Office at 765-883-1455.

ASSEMBLIES AND AUDITORIUM USE

School assemblies will be held at various times throughout the school year. It is expected that when students are in attendance they will display proper behavior. There is to be no gum, food or drinks in the auditorium. Feet should remain on the floor and not on the seats.

The following are considered valid reasons for school absence. Missed assignments can be made up and full credit received.

1. illness of the student
2. death in the immediate family
3. court appointment (where the student is on trial or required as a witness)
4. quarantine
5. exclusion because of exposure of communicable disease
6. required religious observance
7. special events determined to have educational value by the principal
8. serving on election day
9. serving as a State legislature page
10. certain school-sponsored activities

Any child vomiting the morning of a school day should NOT be sent to school that day. Children will be sent home from school after a fever of 100° or greater.

Students not in school or leaving during the day due to illness or discipline will not attend school events held after school that day.

BIRTHDAY PARTIES

Class birthday treats are permitted upon **arrangement with the teacher**. Surprise parties are not permitted. Preschool children should not be brought to class parties. Balloons are greatly discouraged for classrooms and cannot be sent home on the school bus. **All food treats must be purchased. Homemade treats are not permitted. Personal Birthday Party Invitations may be passed out in class as long as each student in the room receives an invitation.**

BULLYING

Western School Corporation is committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our school corporation works to ensure that all students have the opportunity and support to develop to their fullest potential and share a personal and meaningful bond with people in the school community. Bullying is prohibited by Western School Corporation.

According to IC 20-33-8-0.2, "Bullying" means overt, unwanted, repeated acts or gestures, include verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:

1. Places the targeted student in reasonable fear of harm to the targeted student's person or property;
2. Has a substantially detrimental effect on the targeted student's physical or mental health;
3. Has the effect of substantially interfering with the targeted student's academic performance; or
4. Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.

The term may not be interpreted to impose any burden or sanction on, or include in the definition of the term, the following:

1. Participating in religious event.
2. Acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger.
3. Participating in an activity consisting of the exercise of a student's rights protected under the First Amendment to the United States Constitution or Article I, Section 31 of the Constitution of the State of Indiana, or both.
4. Participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults.
5. Participating in an activity undertaken at the prior written direction of the student's parent.
6. Engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

Bullying can occur anywhere (in-school or outside of school) and at any time; both during and after school hours. Bullying can include physical bullying, verbal bullying, social/relational bullying, and electronic/written communication.

- Physical bullying involves hurting a person's body or possessions. It includes hitting/kicking/punching, spitting, tripping or pushing, taking or breaking someone's things, and making mean or rude hand gestures.
- Verbal bullying involves saying mean things. It can include teasing, name-calling, inappropriate sexual comments, taunting, or threatening to cause harm.
- Social/relational bullying involves hurting someone's reputation or relationships. Social bullying involves telling other children not to be friends with someone, leaving someone out on purpose, spreading rumors about someone, or embarrassing someone in public.
- Electronic/written communication involves cyber-bullying, collective or group note writing, any bullying undertaken through the use of electronic devices (computer, cell phones)
- Parents or students who suspect repeated acts of bullying are taking place should report the matter to the school principal or designee. School personnel will investigate all reports of bullying. Parents of both the targeted student and the bully will be contacted by school personnel within 2-3 school days from when the report was provided to administration. If determined that reporting the bullying incident to law enforcement is necessary, this will be done simultaneously with the contacting of parents.
- Anonymous reporting of bullying can be made to Western Safe School Tip Line by calling: (765)883-5576 or (765)883-5541 and dial extension 8477 (TIPS).
- Appropriate staff members will meet with the children involved to learn about the bullying that has been taking place. They will then develop a plan to keep students safe and make teachers aware in order for them to be watchful of any future bullying. Counseling, corrective discipline, and/or referral to law enforcement will be used to attempt to change the behavior of the perpetrator. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the violation.
- Educational outreach and training will be provided to school personnel, parents, and students, concerning the identification, prevention, and intervention in bullying.
- Consequences for bullying and false reporting of bullying will be handled on a case-by-case basis. Discipline could include a behavior contract, lunch detention, after-school detention, alternative classroom setting, out-of-school suspension, loss of social privileges, recommendation for expulsion, and/or referral to law enforcement.

The discipline rules may be applied regardless of the physical location in which the bullying behavior occurred, whenever:

- The individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending a school within a school corporation; and
- Disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment.

Bullying is also prohibited through the use of electronic communication devices or any other interactive or digital technology such as cell phones, computers, iPads, or the Internet. It includes, but is not limited to: email, instant messaging, text messages, and internet postings, whether on a webpage, blog, or otherwise.

All complaints of bullying will be investigated promptly in accordance with the following procedure:

Step I. Any complaints, allegations or rumors of bullying may be presented to the building principal or assistant principal or to the Superintendent. Students also may report their concerns to teachers or counselors, who will be responsible for notifying the appropriate administrator or Board official on the same day that the teacher or counselor receives the complaint or, if the teacher or counselor receives the complaint after the end of the instructional day, no later than the next instructional day. This report may be made anonymously. Complaints against the building principal shall be filed with the Superintendent. Complaints against the Superintendent shall be filed with the Board President. Complaints submitted anonymously also shall be investigated. All such information will be reduced to writing and will include the specific nature of the offense, corresponding dates, location of the offense, the identity of the reported bully, and the identity of any

witnesses. If the person filing the complaint is an adult, s/he must sign the charge affirming its veracity. If the person filing the complaint is a minor, s/he may either sign the charge or affirm its veracity before two (2) administrators. If a student refuses to complete the written complaint form or sign a complaint, the staff member taking the complaint will complete the written complaint using the information the student has provided verbally.

Step II. The administrator/Board official receiving the complaint shall promptly investigate. Parents of the targeted student and the reported bully will be notified of the nature of any complaint involving their child within one (1) instructional day of the administrator's or Board official's receipt of the complaint. The administrator/Board official will arrange such meetings as may be necessary with the targeted student and reported bully within two (2) instructional days after receipt of the complaint. The targeted student and reported bully will have an opportunity to submit evidence and a list of witnesses, if not already included in the complaint, at those meetings. The entire investigation, including interviews of the targeted student, the reported bully, and all witnesses, shall be completed within five (5) instructional days after receipt of the information or complaint. All findings related to the complaint will be reduced to writing, including any discipline to be imposed or other remedial action to be taken. The written findings must be reduced to writing within seven (7) instructional days after receipt of the complaint.

Consequences for the bully may range from positive behavioral interventions to expulsion. Consequences will depend on the severity of the offense and consider the developmental ages of the targeted student and the bully, the bully's disciplinary history, and any other relevant factors. Remedial action may include but is not limited to counseling for the targeted student and/or the bully, training of the bully and/or school staff, assignment of a contact person who will provide support to the targeted student, academic assistance or support for the targeted student such as tutoring, an opportunity to retake tests, or additional time to complete classwork, the development of a behavioral intervention plan for the bully, and a change of placement, as appropriate for the targeted student and/or the bully. No change of placement will be imposed on the targeted student unless that remedy has been requested by the targeted student. The development of a behavioral intervention plan and any consideration of a change of placement for a student who has been identified as a student with a disability protected by Section 504 of the Rehabilitation Act of 1973 (Section 504) or the Individuals with Disabilities Education Act (IDEA) will be made by the student's Section 504 or IEP Team, respectively. In all cases where counseling is deemed appropriate for the targeted student to remediate past harassment, arrangements will be made with an appropriately qualified provider of such services to provide the counseling.

The administrator/Board official conducting the investigation shall notify the complainant, targeted student, reported bully, and the parents of the targeted student and reported bully in writing of a summary of the investigation findings upon conclusion of the investigation and, if the investigator finds that bullying has occurred, an explanation of what remedial action will be taken, including the decision to impose discipline on the bully. When permitted by law, the disciplinary action taken against a student found to have engaged in bullying will be reported to the parents of the targeted student. The written summary of the investigation must be provided to the complainant, targeted student, reported bully and the parents of the targeted student and reported bully on the same day that the written findings are reduced to writing if possible but no later than the next instructional day.

A copy of the written notification, including notes detailing the date and circumstances of notification, together with any other documentation related to the incident, including the written findings, any disciplinary action, and any other remedial action taken or recommended, shall be forwarded to the Superintendent or to the School Board, if the investigator is a Board official.

Step III. If the complainant is not satisfied with the decision at Step II, s/he may submit a written appeal to the Superintendent or designee. Such appeal must be filed within five (5) instructional days after receipt of the Step II decision. The Superintendent or designee will arrange such meetings with the complainant and other affected parties as deemed necessary to review and discuss the appeal. The Superintendent or designee shall provide a written decision to the complainant's appeal within five (5) instructional days after receipt of the appeal. Step III is inapplicable in cases

where the investigator is a Board official. In such cases, the complainant may proceed directly to Step IV to appeal the decision

Step IV. If the complainant is not satisfied with the decision at Step III, a written appeal may be filed with the Board. Such appeal must be filed within five (5) instructional days after receipt of the Step III decision or within five (5) instructional days after receipt of the Board official's decision when Step III is inapplicable. The Board shall, within twenty (20) instructional days, conduct a hearing at which time the complainant shall be given an opportunity to present the complaint. The Board shall provide a written decision to the complainant within ten (10) instructional days following completion of the hearing.

BUSES

Bus transportation is provided for each student living in Western School Corporation. Students are to conduct themselves properly at all times while waiting for the bus and while aboard the bus. Any student who becomes a discipline problem or jeopardizes the safety of others may be assigned a permanent seat by the driver, sent to the principal for discipline or have the bus riding privilege withdrawn by the administration.

Students or parents will be held financially responsible for any vandalism to buses and, in addition, the riding privilege may be withdrawn. Inappropriate behavior will be reported to the principal for disciplinary action. Students are to go directly into the building upon arrival.

Students must have a signed written note from their parents to ride a different bus. This note must be shown to the homeroom teacher. A change in transportation note will be given to the driver. If a note is not sent to the teacher the student will be sent to their normal take home address.

****TRANSPORTATION CHANGES must be called in to the office by 3:00 p.m. Any call after 3:00 p.m. to make a change in transportation will not be honored and the student's regular method of transportation will be followed.**

Students are to be at their morning pick up before the bus arrives. It is not possible to pick up in front of every home, therefore neighborhood bus stops will be established early in the year. The following are bus safety and/or conduct rules:

1. Upon entering the bus, proceed to a seat and be seated. Remain seated during the bus ride. Pencils and/or sharp objects should be contained in book bag.
2. Yelling or screaming is not allowed.
3. Obscene language, fighting, tripping, picking on someone, or any disruptive behavior will not be permitted.
4. Windows or doors are not to be opened or closed except with permission of the driver.
5. No student shall enter or leave the bus until it has come to a full stop and the door has been opened by the driver. Students need to remain seated until driver has come to a complete stop.
6. Stay out of the DANGER ZONE—the danger zone is 10 feet all the way around the bus.
7. Animals or insects of any kind are prohibited on the school bus.
8. Helium and other types of balloons are not permitted on the bus.

**It should be noted that most buses are now equipped with video cameras to monitor behavior.

CLOSINGS AND LATE STARTS

It is the policy of the Board to keep the schools in operation except when the Superintendent has determined that conditions are such as to unduly endanger students. If Western Schools are to be closed or are to start late, an announcement will be made over radio stations WWKI-100.5 FM, WIOU-1350 AM, WSHW-99.7 FM, or WZWZ-92.5 FM, watch WRTV 6, WISH 8, WTHR 13 television stations, or check Western's website, www.western.k12.in.us for closing or delay information beginning as close to 6:00 a.m. as possible.

Western Schools also utilize an automated telephone service to call parents in the event of delays, closings and early dismissals. Be sure your contact numbers are up to date. If it should become necessary to close the schools during the day, some students might not find anyone home and might be unable to get into the house which would be frightening for younger children. Please tell your children what to do in such a situation; we would suggest making arrangements with at least two neighbors to provide shelter for your child if needed. Do not wait until it snows before you make plans for early dismissal. Please listen to the stations and do not call the school.

There is no 30 minute delayed start when a 2 hour delay is called on a Wednesday. Start time on a Wednesday 2 hour delay is 11:00 a.m.

COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice. Any removal will be only for the contagious period of the disease.

Specific diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

CRIMINAL GANGS AND CRIMINAL GANG ACTIVITY

The School Corporation adopts this policy pursuant to State law in order to address the detrimental effects of criminal gangs and criminal gang activity on its students, demonstrate its commitment to preventing and reducing criminal gang membership and eliminating criminal gang activity, educate Corporation students, employees, and parents about criminal gangs and criminal gang activity, and comply with State and Federal laws and regulations.

The Corporation prohibits criminal gang activity and similar destructive or illegal group behavior on Corporation property, on buses owned by the Corporation or used to transport Corporation students, and at school-sponsored functions. The Corporation prohibits reprisal or retaliation against individuals who report criminal gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of criminal gang activity and similar destructive or illegal group behavior.

Definitions

- A. "Criminal gang," as used in this policy, means a group with at least three (3) members that specifically:
 - 1. either:
 - a. promotes, sponsors, or assists in, or
 - b. participates in, or
 - 2. requires as a condition of membership or continued membership
the commission of a felony or an act that would be a felony if committed by an adult or the offense of battery (I.C. 35-42-2-1).
- B. "Criminal gang activity," as used in this policy, means to:
 - 1. actively participate in a criminal gang;
 - 2. knowingly or intentionally commit an act:
 - a. with the intent to benefit, promote, or further the interests of a criminal gang; or
 - b. for the purpose of increasing the person's own standing or position within a criminal gang;
 - 3. knowingly or intentionally solicit, recruit, entice, or intimidate another person to join a criminal gang or remain in a criminal gang;

4. threaten another person because the other person:
 - a. refuses to join a criminal gang;
 - b. has withdrawn from a criminal gang; or
 - c. wishes to withdraw from a criminal gang;

when engaged in by a student who attends a Corporation school.

Procedures for Reporting and Investigating Suspected Criminal Gang Activity

All Corporation employees shall report any incidence of suspected criminal gang activity to the principal and the school safety specialist. As well, students and parents, who choose to do so, may report an incident of criminal gang activity to the principal. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services.

A Corporation employee who in good faith reports an incident of suspected criminal gang activity in compliance with the procedures of this policy and any Corporation employee, parent, or student who in good faith participates in any judicial or other proceeding resulting from the report or relating to the subject matter of the report is immune from any civil or criminal liability for damages arising from his/her actions.

Each school principal or designee shall conduct a thorough and complete investigation of each report of suspected criminal gang activity and each report of reprisal or retaliation. The principal or designee shall initiate the investigation promptly but no later than 2 instructional day(s) of the report of the alleged incident. The principal may appoint additional staff and the principal or designee may request the assistance of law enforcement to assist in the investigation for the safety of the administration, Corporation staff, or students. The investigation shall be completed and written findings prepared by the principal or designee as soon as possible but no later than 5 instructional days from the date of the report of the alleged incident.

The principal or designee shall submit the report to the Superintendent within 10 instructional days of completing the investigation. The Superintendent shall report the results of each investigation to the Board on an annual basis during its scheduled Board meetings.

The Superintendent is authorized to issue guidelines to define the range of ways in which Corporation staff and the principal or designee shall respond once an incident of criminal gang activity is confirmed, according to the parameters described in the Corporation's code of student conduct. The Board recognizes that some acts of criminal gang activity may be isolated incidents requiring that the school officials respond appropriately to the individuals committing the acts while other acts may be so serious or involve individuals outside the school that they require a response by local law enforcement officials.

Appropriate consequences and remedial action will be imposed when students are found to have engaged in criminal gang activity, criminal gang intimidation, or criminal gang recruitment on Corporation property, while riding on Corporation buses or buses used to transport Corporation students, and at school-sponsored events or when they are found to have engaged in retaliatory conduct towards a Corporation employee or student who reported an incident of criminal gang activity, according to the severity of the offense and considering both the developmental age of the student offender and the student's history of inappropriate behavior, per the code of student conduct. Consequences and appropriate remedial action for a student who engages in criminal gang activity may range from positive behavioral interventions up to and including suspension or expulsion. Incidents that result in the expulsion of a student(s) or alternative school placement of a student(s) will be referred to the local law enforcement officials for further investigation. The principal shall proceed in accordance with the code of student conduct, as appropriate, based on the investigation findings and the Superintendent's guidelines. As appropriate, the principal may provide intervention and/or relevant support services (i.e., refer to counseling, establish training programs to reduce criminal gang activity and enhance school climate, enlist parent cooperation and involvement or take other appropriate action). The principal shall inform the parents of all students involved in alleged incidents as provided below, and, as appropriate, may discuss the availability of counseling and other intervention services.

The principal shall provide the parents of the students who are parties to any investigation with information about the investigation, in accordance with Federal and State laws and regulations. This information includes the nature of the investigation, whether the Corporation found evidence of criminal gang activity, and whether consequences were imposed or services provided to address the activity. This information is to be provided immediately upon completion of the investigation and issuance of written findings by the principal or designee.

DANGEROUS DEVICES

Knives, squirt guns and other squirt devices, lighters, caps, firecrackers, bullets, or cigarettes will be taken from the student and turned in at the office, where they may be claimed by a parent only.

DANGEROUS PRACTICES

Pushing, biting, spitting, hitting or kicking are not permitted on the school bus, playground or in the school building.

DELIVERIES

Outside deliveries should not be made to the school building. (i.e. balloons, flowers, candy, etc.) The items create distractions to the learning environment and challenges with the students transporting the items home.

DISCIPLINE

Each student is responsible for his/her own behavior during the school day and on the way to and from school. Each faculty and staff person is responsible for maintaining safe and proper behavior in his/her own class-room and for helping maintain safe and proper behavior in and about the school. Students who misbehave are subject to reprimand and/or punishment, including detention, in-school suspension, out-of-school suspension, and expulsion. Whenever possible, parents will be contacted.

DISCIPLINARY OPTIONS

1. TIME OUT OPTION – This option is provided to teachers as means for handling minor classroom discipline problems. Teachers can suspend a student to the hall for a maximum of one day at a time.
2. CLASS DETENTION OPTION – This is intended to be used by the building administrator as a means of providing a cooling off period for teacher and students who have experienced classroom difficulty which requires the separation of the teacher and student without removing the student from all of his/her classes. A complete discipline referral form will be kept in the student's disciplinary file. A student on a class suspension will report to the office during the class he/she is suspended from and will be supervised by the office. A student may receive a maximum of five (5) consecutive class suspension days per infraction.
3. SATURDAY SCHOOL OPTION –
 - a. Saturday school is an alternative form of discipline for minor infractions that traditionally would result in removal from all classes for a day or more.
 - b. Rules:
 - i. Saturday School for grades K-2 begins at 9:00 a.m. and will last until 11:00 a.m. (two hours).
 - ii. Students are to report to the Administration Building by entering Door #8 on the west side of the building before their scheduled time. The doors will be opened at 7:55 a.m. and 9:55 a.m. If a student arrives five (5) minutes late, the time will be doubled and he/she will have to make up the time after the dismissal. If a student arrives six (6) to fifteen (15) minutes late, he/she will have to serve that Saturday, plus an additional Saturday. If a student arrives more than fifteen (15) minutes late, the student will be considered absent and will be assigned a suspension unless it is verified excused absence.
 - iii. Students are to bring their assignment sheet from their teachers. Students are responsible to bring enough homework to keep busy the entire time. Homework, extra credit work, and reading (library books) are acceptable items on which to work. No MAGAZINES, GAMES, OR ELECTRONIC DEVICES (exception: assigned work on the iPad) is allowed. Work will be assigned by your teachers.
 - iv. There will be no talking, except if the student needs to ask the supervisor in charge a question.
 - v. Students are to stay in an assigned seat. If students need to leave their seat, they are to raise their hand and ask permission.
 - vi. There will be a five minute restroom break at 9:55 a.m. There is no eating or drinking pop, coffee, etc.
 - vii. Students cannot leave the building during Saturday School time.

- viii. Students are to have NO visitors in the building during their assigned time.
 - ix. Sleeping or giving the appearance of sleeping will not be tolerated in Saturday School.
 - x. In the event bad weather causes cancellation of school on a Friday prior to Saturday School, Saturday School will be postponed to another day.
 - xi. Students will not be allowed to use the telephone or go to lockers.
 - xii. Excused absences from Saturday school include: illness, death in the family, or severe illness in the family. A parent's phone call must be made to the principal the first day the student returns to school if the Saturday school absence is to be excused and reassigned.
 - xiii. All regular school rules are in effect. The Saturday School supervisor is in charge and any refusal to comply with his instructions will result in a dismissal from Saturday school.
 - xiv. It should be clearly understood that a student faces immediate out-of-school suspension for up to ten (10) days if he/she is in violation of any of the above rules and/or the following:
 - 1. failure to attend or arriving over fifteen (15) minutes late
 - 2. misconduct
 - 3. failure to complete assignments
 - 4. dismissal from Saturday School
4. IN-SCHOOL SUSPENSION OPTION – In-school suspension is a full day assignment intended to isolate the student from the classroom and his peers. This option is intended to provide supervised environments for student who needs disciplinary action requiring a high level of supervision. Only administrators can assign students to ISS and students will complete classroom assignments as provided by the teachers. Students may receive ISS for a maximum of three (3) consecutive school days per infraction.
 5. OUT-OF-SCHOOL SUSPENSION OPTION – Out-of-school suspension shall be reserved for serious disciplinary infractions or for those students who are habitual offenders. Out-of-school suspension is a preliminary step to a recommendation for expulsion. Students may be suspended a maximum of ten (10) consecutive school days per infraction.
 6. EXPULSION OPTION – This option will be used when other options fail or when the infraction requires severe consequences. This option will also be used for frequent or repeat offenses. A student may be expelled from school for up to one (1) full calendar year.

DISCIPLINE / MAJOR VIOLATIONS OF SCHOOL RULES: SUSPENSION AND EXPULSION

The following is a list of specific acts of misconduct or conditions which may result in detention, suspension, expulsion, or arrest. This list is not all inclusive, but merely representative. These rules apply when a student:

DISCIPLINE - STUDENT DUE PROCESS

*I.C. 20-8.1-5.1-3 Supervision responsibilities of school corporation personnel

1. Student supervision and the desirable behavior of students in carrying out school purposes are the responsibility of a school corporation and the students of a corporation.
2. In all matters relating to the discipline and conduct of students, school corporation personnel stand in the relation of parents and guardians to the students of the school corporation. Therefore, school corporation personnel have the right, subject to this chapter, to take any disciplinary action necessary to promote student conduct that conforms with an orderly and effective educational system.

DRESS CODE

Students at Western Primary should be able to dress themselves. Even though they can dress themselves they still need a parent's help to make sure they are properly dressed for the season as well as dressed in a way that conforms to norms of good taste, decency, and proper health and safety standards. If, in our opinion, a student is not dressed appropriately and is causing a disruption to the daily operation of classes the student will be called to the Office and asked to correct the situation. Please be sure students have on properly fitting clothes that are not torn and do not display advertisements that are inappropriate for a school environment. It is very distracting to a child who has to constantly pull up loose fitting pants or adjust a shirt that is too large. Tank tops, halter tops, and midriiffs or other shirts that reveal too much of the upper chest area, are unacceptable. For safety reasons a child should come to school with shoes that cover the whole foot. **FLIP FLOPS or shoes as such may be worn to school. However, Flip Flops or shoes as such MAY NOT be worn to recess or to gym class.** Hats, jackets and book bags should be removed when the student arrives at school. Tattoos and body art should be covered with clothing as these adornments are very distracting to the children wearing them and the children around them. **Any clothing, attire, or accessory that results in disruption to the school or the learning process is not permitted.** Shorts and skirts/dresses are to be of reasonable length. As a general rule, shorts or skirts/dresses should be not shorter than fingertip length when the arm is extended to the side. All pants worn by boys or girls must be worn around the waist, even when seated or stretching.

EARLY PICK-UP

A parent picking up a student early, due to medical or dental appointments, family emergencies, etc. is to send a note to the teacher that morning and is to meet the student in the front foyer at the designated time for sign out. Early pick-up will be recorded much like a tardy for missed instructional time.

ELECTRONICS

Headsets, iPod, iPad, electronic games, cell phones and/or radios may be used during the bus ride to and from school per the bus driver's approval. These electronic items MAY NOT be used in school or during recess. Items must be stored in student backpacks during the school day. The school is NOT RESPONSIBLE for lost or stolen electronic items.

EMERGENCY DRILLS

Fire, tornado and intruder drills are practices for emergencies we hope will never occur. The way one responds during a drill is probably the way one will respond in an actual emergency. To prevent panic and promote safety, students are to be quiet and orderly during drills and to look to the teacher for instruction. To assure that everyone's out of the building even in dense smoke, students are to hold hands during fire drills. Once outside, drop hands and stand with your class group. Teachers are to take attendance once they have reached their safe area.

Indiana Schools are required to have one fire drill per month and two tornado drills per semester. Intruder drills will be conducted on an as needed basis.

EMERGENCY PROCEDURES

Intruder in the Building

1. First person to notice intruder (person with a weapon or person who is upset or acting out of control) will notify principal.
2. Principal or designees will announce over the P.A. system: "There is an intruder in the building; We are in a Level 3 lock-down situation."
 - a. This message is an indication for staff to:
 1. Assess the situation and area around you
 2. All exterior doors remain locked
 3. All classes being conducted outside will be notified of where to take their students
 4. Classroom doors are to be closed and locked
 5. Students seek immediate safety in a classroom or wherever they can
 6. Blinds are pulled shut (including covering hallway door windows) and lights are turned off
 7. Teachers with cell phones and iPads should turn them to silent and keep handy as a possible way to be contacted by administration
 8. Classroom activity is to stop and students are to be informed of the threat
 9. Students and staff are to be ready to follow our "Run, Hide, Fight" ALICE philosophy

FIELD TRIPS

Western Primary organizes educational field trips to enhance instructional programs. In order for a student to be included on a field trip, behavior, attendance, completed assignments, and the ability to follow school rules will be taken into consideration. The classroom teacher and principal may exclude any student from attending a field trip who is demonstrating non-compliance while at school.

In order to be a chaperone for a field trip, each individual must have a background check **2 weeks** prior to the day of volunteering. Background check forms are available in the Primary office. **Background checks must be done each school year.**

Field trip locations allowing additional visitors. (i.e. Children's Museum)

Parents joining their child, but not selected as a class chaperone:

- Parents can drive behind buses to the field trip and meet at the location.
- Parents will need to pay for their own parking and admission fees.
- Parents will accompany their child in the assigned group and will not be able to leave or take their child from his/her assigned group as the chaperone of the assigned group has been assigned the responsibility.
- At the conclusion of the field trip, the child will return to the school by riding the bus.

A student permission form must be completed by the parent/guardian for field trip participation; otherwise, the student will be excluded from attending.

FIGHTING

Any fighting on the bus, in the school or on the playground may result in strong disciplinary action such as detention, suspension or expulsion. Parents will be notified whenever possible.

FOOD SERVICE DEPARTMENT

General Café Information & Charging Policy

The Western School Corporation Food Service Department utilizes a computerized point-of-sale system, **Café Enterprise**. Upon enrollment, all students are given a café account and 4-digit PIN number. Money deposited into this account can be used for the purchase of breakfast, lunch, milk and a la carte items.

I. Payment Options

The Food Service Department strongly recommends that money is pre-paid into an account prior to the point-of-sale. Depositing cash or checks during the breakfast or lunch service interrupts the flow of the line and reduces the total time students have to eat. The following payment options are available:

- a. Major credit card online at www.myschoolbucks.com
 - I. **NO** service fee to make payments, check available balance or monitor purchases
 - II. Easy to enroll, convenient & secure
- b. Check
 - I. Check must be made payable to the corresponding school.
 - II. Must have student's name & 4-digit PIN number in memo.
 - III. If more than one student is on a single check, the check must specify how much money is to be deposited into each account.
 - IV. If a check is returned due to non-sufficient funds (NSF), we will attempt to collect all money owed. In the event it cannot be collected, a third-party collection agency will be utilized.
- c. Cash
 - I. Primary & Intermediate students must turn payment in to teacher in a sealed envelope, clearly marked with name & 4-digit PIN number.
 - II. Middle & High school students must turn payment in to cafeteria in a sealed envelope, clearly marked with name & 4-digit PIN number.

II. Account Balance Information

Western School Corporation expects parents to be responsible for monitoring their student's café account and maintaining a positive balance. **Free and reduced-price meal assistance is available to all households at any time throughout the school year.** Paper meal applications can be obtained from the Director of Food Service or any school office secretary. Online meal applications can be accessed at www.pantherfood.com. Contact the Director of Food Service at 765-883-1462 with any questions related to free and reduced-price meals.

Students will no longer be given written negative account balance notices.

The Food Service Department utilizes the **Skylert** system to notify parents of low and negative account balances. Any student with a lunch account balance below \$5.00 will receive an automated phone call Tuesday through Friday.

In addition, account balance information may be obtained in the following ways:

- a. www.myschoolbucks.com
- b. Contact the food service manager at the student's school:
 - i. Primary Cafeteria - 883-1441
 - ii. Intermediate Cafeteria - 883-1442
 - iii. Middle School Cafeteria - 883-1443
 - iv. High School Cafeteria - 883-1444

III. Charging Guidelines

Western School Corporation wants to ensure that all students have access to nutritious meals daily. However, we are not allowed, per USDA regulations, to incur bad debt from unpaid meal charges. For this reason, we cannot allow large debt to accumulate on students' café accounts. The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for meal charges. We realize that there may be extenuating circumstances that prevent a student from having money on their account from time to time. In the event a student does not have money on account or in hand to pay for a meal, we will adhere to the following guidelines:

- a. A student may charge up to **five (5) lunch meals** maximum (one charge per meal).
- b. A student **may not charge** a breakfast meal or purchase "a la carte" items, including extra main entrees, sides, beverages or snacks.

- c. As previously stated, the Food Service Department utilizes the **Skylert** system to notify parents of low and negative account balances Tuesday through Friday. Students are also verbally notified of their account balances as they come through the lunch line. The food service manager or other school personnel will coordinate additional communication with the parent(s)/guardian(s) to resolve the matter of unpaid meal charges.
- d. If, after 5 lunch meals have been charged and a payment has still not been received, schools will provide a courtesy meal (turkey & cheese or PB&J with milk) until the negative balance is paid off and the account is brought to a positive balance.
- e. If the account is still not paid after three weeks, the Corporation will take action to collect all balances owed by means of collection agencies, small claims court, or any other legal method deemed necessary by the Corporation. Please note that any of these collection methods may incur additional charges to you.
- f. If food service staff suspects that a student may be abusing this policy, written notice will be provided to the parent(s)/guardian(s) that if he/she continues to abuse this policy, the privilege of charging meals and/or receiving courtesy meals will be refused.
- g. If a student repeatedly comes to school with no lunch and no money, food service staff will report this to the building principal, as this may be a sign of abuse or neglect and **the account will be subject to a referral made to the Department of Child Services of Howard County.**
- h. A Western staff member may charge up to **\$10.00**, as long as they establish and maintain a good credit history of making payments on their food service account. The balance owed must be paid in full by the end of the school year.

IV. **Guests**

All guests are expected to pay for their meal at the time of purchase. Charging is not allowed.

V. **Excess Funds/End of Year Balances**

Any funds remaining in a student's café account at the end of the school year will be carried over into the next school year. In the event that a student leaves the school district, any café account that has \$5.00 or more remaining on it is entitled to a refund. A verbal or written refund request must be submitted to the Food Service Office within 30 days after the date the student leaves the district in order for any balance to be refunded. Contact the Food Service Office directly by calling 765-883-1462 or emailing **eklinge@western.k12.in.us**.

At the end of each school year, positive account balances of graduating students will automatically be transferred to sibling accounts, as applicable, or automatically refunded if \$5.00 or more remains on the account. There is no need to contact the Food Service Office regarding graduating student account balances. Unclaimed remaining balances will be transferred to the 3490/Unclaimed Balance account within our Café Enterprise system.

FUNDRAISERS

All foods that meet the regulatory standards may be sold at fundraisers on the school campus during school hours. **No exempt fundraiser foods or beverages may be sold in competition with school meals in food service area during meal service.** The standards would not apply to items sold during non-school hours, weekends, or off-campus fundraising events.

Chewing gum is not permitted in the school, on the playground, as a class treat, or sent for a party treat. Suckers should not be sent as a treat as safety concerns exist if they are taken on the bus or in the hallways.

HALLS

Running or loud talking will not be allowed in the hallways. Respect for other students working in their classrooms is expected.

HARASSMENT

It is a violation of law and of school rules for a student to harass or intimidate another student or staff member. If a student is the victim of any unwanted sexual actions or comments or of derogatory statements or actions concerning his/her gender, religion, race, ethnic group, or disability, the student should report such behavior to the office. All reports shall be kept confidential and shall be investigated as soon as possible.

** Students, Parents, and Community Members now have an easy way to convey to school authorities information they feel is important for the safety of our students and school. HEAD LICE POLICY

If a student in the Corporation is found to have head lice, the student's parents will be contacted to have the child picked up immediately and treated for the condition. After treatment and upon returning to school, the student will be examined by the school nurse or designee, which may include the principal. The Corporation practices a policy of "no live lice" as the criterion for returning to school. The parent will be provided a notification letter (Form 8451A F2) and a treatment form that provides guidance and educational material concerning the epidemiology, treatment, and follow-up procedures for the infestation (Form 8451A F1). When the parent picks up the student, the parent will be informed that the student needs to be treated before he/she returns and the parent will need to complete Form 8451A F3 before the student is readmitted. The student will be permitted to return to school after it is confirmed the child is free of any live lice.

HEALTH SERVICES

The school nurse is available on a full-time call basis to help with routine student medical concerns and emergency situations until the parents/guardians or emergency medical personnel can be contacted. Students seen in the clinic or office will be asked to describe their symptoms. Their temperature will be taken and if no fever, vomiting, and/or other apparent symptoms of illness or injury exist, students will be returned to class. **Students sent home by the nurse are not to return to school and/or extra-curricular activities that day without permission from administration.** Students with a temperature of 100 degrees or higher and/or symptoms of acute illness or injury will be sent home after the school contacts the parent. Students are NOT to call parents to take them home without permission from a school authority.

- If a student has a fever of 100 degrees Fahrenheit or greater, and/or vomits due to an illness, the student will be sent home from school, or the student should be kept home from school if prior to school hours. Students may return to school after 24 hours have passed with a normal temperature without the use of fever-reducing medications, and/or no vomiting. The 24 hour policy is based off of the CDC (Center for Disease Control) recommendations and guidelines for schools. Parents must call in illnesses to office personnel, or a written note should be sent with student when returning to school.
- Students with specific health care needs should submit those needs in writing with proper documentation by a physician to the office
- Asthma, Severe Allergy, Seizure and Diabetes care-plan forms are available on the school corporation website homepage located in the info tab. Forms may also be obtained from the nurse/office
- Care-plan forms, medication administration forms, physician orders and permission to carry forms need to be updated every school year.

HOMEWORK

You can help your child learn by helping him/her with homework. Western Schools encourage parents to:

1. Show a positive interest in their children’s homework as well as their school work.
2. Cooperate with the teacher to make homework more effective.
3. Provide children with a suitable place to do homework, away from the TV or pre-school children.
4. Set a definite time each day of the week for homework and stick to it.
5. Serve as —helpers || with assignments, but do not complete the assignments for the child.
6. See that assignments are completed neatly.
7. Talk to your children about their attitudes toward school work and homework.

In the interest of variety and in order to give pupils an opportunity to develop different kinds of skills, not all assignments will be written assignments. Some will require the student to read, to interview, to cut out, to collect, to study, to do research, to listen to a particular radio program or watch a special TV program. Generally we do not encourage big homework assignments on weekends; but a short weekend assignment can give parents an opportunity to help and encourage proper homework technique.

LUNCHROOM INFORMATION

***Lunch Drinks**

Students having allergies to milk and/or milk products must have a doctor's note on file with the school nurse.

***Sack Lunch**

Students who bring their lunches should not bring food that will need to be heated or refrigerated. When packing your child's sack lunch, always include the necessary utensils (spoon, fork) and condiments (ketchup, mustard, etc.) Students may bring their lunch from home however, fast food is not allowed. This program is in compliance with Indiana Dept. of Education Child Nutrition Programs and FNS instruction 765-7.

Upon return to school students are responsible for contacting all teachers to check on make-up work.

MEDICATION ADMINISTRATION POLICY

The purpose of administering medication in school is to help each student maintain an optimal state of health to enhance the educational program. The intent of following guidelines is to reduce the number of medications given at school, and assume safe, effective administration of medications for those students who require them. In those circumstances where a student must take medication during the school day, the following guidelines are to be observed:

An exception to this would be prescriptions for emergency medications by students whose physician has filled out a permission to carry form.
- Medication that is possessed by a school for administration during school hours or at school functions may be released to the student's parent/guardian or to an individual who is eighteen (18) years of age or older who has been designated, in writing, by the student's parent/guardian to receive the medication.

PARENT’S RIGHT TO KNOW

The No Child Left Behind Act (NCLBA) is an extension of a previous Federal program titled the Elementary and Secondary Education Act (ESEA). NCLBA requires schools to notify parents of students in that school that they may request, and the Corporation will provide the following information on the student’s classroom teachers:

1. Whether the teacher(s) have met the State qualification and licensing criteria for the grade level and subject areas they are teaching.

PARTIES

To help with check-in procedures on party days, parents, grandparents, or guardians may check-in at the office one week prior to the party to have their volunteer permission and student check-out approved. Upon approval, the volunteer will be issued a Primary Pass. On the day of the party, volunteers may enter the building, give their pass to a check-in employee and immediately enter the building.

Volunteers who do not check-in early, or forget their pass must go through the normal check-in/check-out procedure at the receptionist’s desk. **Only approved volunteers will be allowed to attend parties. NO guests, siblings or visitors will be allowed during party times.**

Only 5 volunteers per classroom are allowed for parties.

All food treats must be purchased. Homemade treats are not permitted.

PETS

Pets may visit school only upon special arrangement with the teacher and the principal. At least one day’s notice is necessary before pets can come to school.

PHYSICAL EDUCATION AND SWIMMING

Physical education is one of our most important special area classes. Students are required to participate in physical education unless they have a note from parents. Three parent notes will be accepted each semester before participation grade is lowered. The exception to this rule would be a doctor's note excusing the student for a longer time.

Each student needs a pair of tennis or running shoes to be used for physical education classes. Shoes are to be properly laced and tied or secured with Velcro. **Slip on and open toed shoes are not acceptable.** Students not having the appropriate attire including tennis shoes will not be allowed to participate in physical education for the day and will receive a parent letter indicating that the participation grade will be lowered.

Swimming, while not a graded class, is part of our physical education program and participation is required unless excused by a doctor's note or because of religious objections. Parents wishing to observe swimming should drive to the High School parking area, sign in as a visitor to the High School and then join their child's class in the pool area. Pre-school children and children from other schools should not be in the pool area during school hours.

PICTURES

School pictures for student purchase will be handled on a prepay basis. Students may select from several different priced packages and the full amount must be paid the day pictures are taken. The photographer guarantees satisfaction and all money will be refunded if not completely satisfied with the pictures. Pictures are generally scheduled to be taken in September. Retakes are taken early November. Spring pictures will be taken some-time during the second semester.

PLAYGROUND RULES

The following rules are designed for the health and safety of all students:

1. Baseball – Do not bring hard balls to school
2. Boots – Students should wear boots when the playground is wet or snowy. Any student without boots shall stay on the blacktop.

5. Entrances – Students are not to play, make loud noises, or bounce balls off the walls near the building entrances.
6. Excuses – To provide fresh air, exercise, and a break in routine, all students are to play outdoors at recess unless they have a weekly doctor's excuse or a daily excuse signed by the parent. Parent excuses will be accepted for one week, after which the school nurse will contact the parents. Students are expected to dress appropriately for the weather.
7. Football – If teacher on duty permits touch football, the privilege shall be withdrawn if students begin to tackle or block. Tackle football is not allowed.
8. Injuries – A teacher shall take the child to the clinic (or send another child to the clinic with him/her) for evaluation and/or first aid.
9. Line – Students are to line up promptly and quietly at the end of recess. Equipment shall be held quietly while entering the building as others are working in the classrooms.
10. Play Areas – Students are to play on the blacktop, mulch, or grassy play areas. Students are not to play near the creek or lagoon, where cars are parked, or between the buildings.
11. Swings – Students are to swing facing the North.

***Parents and/or other family members are not allowed to attend recess.**

RESTRAINING STUDENTS

As a part of the emergency procedures in place in our schools, no student will be restrained and/or placed in seclusion by school staff unless the student's behavior poses an imminent risk of injury to him/herself or others. However, significant violations of the law including assaults on students and staff will be reported to the police. As soon as possible after any such use of restraint and/or seclusion, the parent or guardian will be informed when any of these actions have occurred and will be provided with a detailed account of the incident including the circumstance that led to the use of the restraint and or seclusion. The Seclusion and Restraint Plan is available online at: www.western.k12.in.us

RESTROOMS

1. Improper behavior such as hitting, climbing, loud talking, horsing around, and running are not permitted in the restroom.
2. Students and their parents will be held financially responsible for vandalism and/or damage to rest-room facilities.
3. Respect for other students is expected.

RETENTION POLICY

Each building principal, as the superintendent's designee, shall be responsible for establishing guidelines for procedures in retaining students. It is expected that principals will consult with teachers and parents before deciding whether a student is to be assigned to the next grade or retained. **Principals have the responsibility for making the final decision for each student's next year class placement.**

Primary School Retention Criteria

Students who have the ability to master grade-level skills but whose performance is well below grade level and below Indiana Standards should be considered for retention.

Retention guidelines and academic cut scores have been developed to help guide parents, teachers and administration when making a decision on retention. Students who have not met the following guidelines/cut scores may be recommended for retention:

Primary School Retention Procedures

For students being considered for retention, the teacher will confer with parents after the end of the third nine-week grading period. The teacher will provide parents with data to support the concern, including information on work habits, examples of work, grades on daily assignments, quizzes and tests. The teacher will let parents know that retention is a possibility if work does not improve substantially. The teacher will record these conferences of PRINCIPAL-PARENT-TEACHER CONFERENCE form with copies to parent, teacher, and principal. The principal may be invited to participate at the teacher's option. Conference participants are asked to sign the bottom of the PRINCIPAL-PARENT-TEACHER form.

For any student who is to be recommended for retention, the teacher will schedule a conference after the middle of the last nine-week grading period to include classroom teachers and both parents if possible. The principal may be invited to participate at the teacher's option. The conference will be recorded on a "End of Year Conference" form with copies to parent, teacher, and principal.

SCHOOL PROPERTY

Any student who willfully destroys school property will be sent to the office; parents will be contacted and billed for the damage. We hope parents will require students to earn the money to repay them.

SCHOOL SUPPLIES

The school supplies needed for your child vary upon their grade level. These supplies need to be provided by the parent /guardian at the beginning of the school year and continue to be on hand for the student for the complete school year. SPEECH, LANGUAGE, AND HEARING SCREENINGS

Indiana Code 20-8.1-7-17 requires the school corporation to annually conduct an audiometer test or a similar test to determine the hearing efficiency of all school children in the first, fourth, seventh and tenth grades of all transferred school children and of all school children suspected of having hearing defects. The governing body of the school corporation may appoint the technicians and assistants necessary to perform the testing required under this section. This section also states; the local governing body may adopt rules and regulations for the administration of this section.

To put this in easier terms: Because this is a State requirement, parental notification and permission is implied, therefore a separate permission is not necessary. The screenings are required in first, fourth, seventh, and tenth grades and for any

new students. In addition, all kindergarten students are screened as well. The screenings may be conducted by a trained technician or assistant as the local school determines appropriate.

SPECIAL EDUCATION

The school provides a variety of special education programs for students identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA)

A student can access special education services only through the proper evaluation and placement procedure required. More importantly, the school wants the parent to be an active participant. To inquire about the procedure, a parent should contact the principal at 883-5528.

STICKERS

Students are not to place stickers of any kind on school property.

STUDENT FEES, FINES AND CHARGES

Because of limited financial means, the School Board may need to levy certain charges to students to facilitate the utilization of adequate, appropriate learning materials. Such charges would be made on expendable items such as, but not limited to, magazines, workbook materials, paperback selections, and laboratory supplies as well as for lost or damaged books and materials for independent study or special projects, and Corporation-sponsored trips. No student, however, shall be deprived of participation in an activity because of lack of financial ability to pay a charge. A charge shall not exceed the combined cost of the material used, freight and/or handling and processing charges, and nominal add-on for loss.

Failure to pay book and supply fees in a timely manner may result in the Western School Corporation filing suit in Small Claims Court.

Fines

When school property, equipment, or supplies are damaged, lost or taken by a student, a fine will be assessed. The fine will be reasonable, seeking only to compensate the school for the expense or loss incurred. The late return of borrowed books or materials from the school libraries will be subject to appropriate fines.

All fines collected will be sent to the Treasurer for deposit in the appropriate fund. In the event the above course of action does not result in the fee being collected, the Board authorizes the Superintendent to take the student and/or his/her parents to Small Claims Court for collection. *Adopted 5-16-94

STUDENT INSURANCE

Student insurance is available at a nominal cost and is optional. When a student is injured under this plan, he may pick up a claim form from the office. This form must be completed by his/her parents and presented to the doctor or hospital. The school merely acts as a median in supplying the insurance, and assumes no liability, either for the injury or the subsequent negotiations with the insurance company.

SUMMER SCHOOL

A student may be required to attend summer school based on classroom performance and/or standardized testing results. A student may be retained if they do not attend the required summer school session.

VISITORS

Parents and patrons should be aware that once the regular school day begins, all outside school doors will be locked. We apologize for any inconvenience, but this is for the safety of our children and staff. Adult visitors are asked to secure a VISITOR'S PASS from the school office. **Visitor ID's will be checked when attending lunch with a WPS student.**

Pre-school children and children from other school districts are not permitted to visit classrooms during school hours. Exceptions: Pre-school children may attend lunch and classroom performances (does not include class parties) but must be accompanied by an adult visitor.

Parents are always welcome, but are encouraged to make an appointment to see a teacher, the principal, or visit the child's classes. We ask that kindergarten parents/guardians not to visit the classroom or come for lunch for the first four weeks. This allows kindergarten students time to adjust to school and his/her classmates.

Parents are allowed to walk their child to class the first two weeks of school. After the first two weeks, parents will only be allowed to walk their child to class if there is a specific need and permission is granted by the principal.

Only approved volunteers will be allowed to attend parties. NO guests, siblings or visitors will be allowed during party times.

Parents wanting to observe swim classes are asked to drive to the High School parking lot, check in as a visitor to the High School and then join their child's class in the pool area.

*Parents and/or other family members are not allowed to attend recess.

Persons serving as volunteers are not to have pre-school children or other children with them during the time they volunteer.

No child siblings or other family children are allowed to accompany parents/guardians while volunteering in class.
